Baptism Preparation

Parents and godparents who want to present infants for baptism prepare by taking an evening class to explore the meaning of the sacrament and the commitment they are making. Child care is provided upon request.

Individual arrangements may be made to help prepare youth and adults ready to make a mature commitment to the Christian faith through baptism. Contact the Rev. Amy Molina-Moore (amolnamoore@columba.org) for details.

Baptism rehearsal, to work out the logistics and answer any final questions, generally takes place the day before at 10 am (meet in the Church Nave). The person to be baptized, family members and sponsors are expected to attend.

For more information on registration and preparation, **please contact Pattie Ames (baptism@columba.org)**.

NOTE: Applications are due six weeks before classes start.
