Equipping the Saints Wednesdays at 6:30pm in the Great Hall

Imagine all the lessons Jesus needed to teach his disciples to equip them for ministry. Equipping the Saints, led by the Rev. Hillary Raining, is our modern equivalent; it is for leaders in the church AND people who may be curious about stepping up to leadership. This five-week course will include prayer and Bible study as well as practical ministry tips, like how to best use Realm (the church database).

Classes take place on Wednesday evenings at 6:30pm through October 14.

Refugee Response Collection- Home Furnishings for an Immigrant Family

Sundays in September in the Common from 8:45a-12:45p

Our Refugee Response Ministry has expanded its work to accompany both refugee and immigrant families as they build new lives in our community. Through our partnership with the Diocese, we have recently been matched with an immigrant family in need of some of the basics that help turn an apartment into a home.

We will have a collection table in the Common for parishioners who signed up to donate and would like to bring their donations directly to St. Columba's. Thank you for helping us extend a tangible welcome to our newest neighbors and for continuing to Live God's Love beyond our walls through generosity, hospitality, and care.
